**Announcements:**

There are only two weeks left of instruction this term. We have two tests, a few labs, two quizzes, and a few homework assignments. Now is not the time to slack off.

If you are doing an Adopt an Element remember it is due on the first day back from break.

The lab for Wednesday is only a data sheet. The lab for Friday requires a formal lab report and goes into your lab notebook.

There will be three POGIL assignments for break.

**Next Week:**
