Page 383 #24, 26, 28, 45-51, 67-78, 81, 91-100,

There will be a handout of homework questions also.

Announcements:

You have a lab report for the Brass lab due on Monday along with a POGIL on PES. There is a copy of last year's test posted along with two EXCELLENT practice questions from previous exams.

There will be 20 multiple choice questions on this exam. Some of them are quite short and a few are wordier.

There will be an after school lab this week. This will be the last one of the semester but it is quite long one. You will be here to at least 5 PM and maybe 5:15. This lab will NOT go into your lab notebook.

Remember there is a good deal of independent work necessary for chapters 8 and 9.
